We don't want them to have their cars there, so we bring them back. The team goes the night before to get ready for the retreat. In order to provide rides for retreatants, we need some adults to drive them out there Friday morning. If you can help, please indicate that below.

*We **MUST** have permission & medical release forms signed by a parent or guardian for all participants in high school—even if they're 18. Grads can sign their own forms. We still need the medical release form. Please block out the whole weekend. You must stay for the entire retreat. You won't want to leave!!!*

****If this amount is a hardship for you, please call Debbie at the Office of Youth & Young Adult Ministry (755-4972).*

More About Kairos...

Kairos (pronounced KI-ross) is a Greek word that means "God's time". This 3-day retreat provides seniors and younger adults an opportunity to look deep within themselves and evaluate their relationships with God, self, and others in a supportive atmosphere. This powerful experience is offered at most parochial high schools in the Archdiocese of Cincinnati, and is similar to *Christian Awakening*, *Emmaus*, *Cursillo*, and *Christ Renews His Parish* retreats for adults. The giving team is composed of several seniors, young adults, and adults from St. John Church. All student leaders have already experienced Kairos either at their high schools or with St. John, and have volunteered their time to share that experience with other students. The retreat schedule includes time for quiet reflection, personal and group discernment, relationship analysis, inner healing, individual and communal reconciliation, prayer, recreation, and the opportunity to experience unconditional love. The team will organize follow-up meetings at St. John to support the retreatants and themselves in living out the message of the retreat.
